WELCOME TO

WALLA WALLA COUNTY FIRE DISTRICT 4

The Walla Walla Valley

Located in southeast Washington, the Walla Walla Valley is home to about 45,000 residents. We are known for blend of scenic beauty, agricultural richness, and vibrant small-town culture. Surrounded by rolling wheat fields, rivers, and the Blue Mountains, the region offers abundant outdoor recreation including hiking, fishing, hunting, cycling, and water activities. The valley is also internationally recognized for its wine industry, with more than 120 wineries and tasting rooms contributing to a thriving culinary and hospitality scene. Historic downtown Walla Walla adds to the area's appeal with locally owned shops, restaurants, and community events, creating a strong sense of place that combines rural living with cultural and economic vitality.

About Fire District 4

Walla Walla County Fire District 4 is an all-hazards, combination career and volunteer department. The District has approximately 70 volunteers and currently employs 16 full-time personnel including a Fire Chief, Deputy Chief, Training Officer, FF/Mechanic, Administrative Secretary, and 12 line personnel. In 2025, the District responded to over 1,200 calls for service.
